

Focus Areas

1. CURRICULUM

- Review for adoption the updated writing and art curricula
- Work with DCS administration to identify places where exemplary student work is recognized

2. COMMUNICATION

- Coordinate DCS communication out to community so that a consistent, informative message is being sent
- Continue parent information nights and forums to be aligned with board long-term planning (see Goal #5)

3. TECHNOLOGY INFRASTRUCTURE

- Clarify Deerfield's connection to/dependence upon SAU-level technology decisions
- Establish a 5-year Technology Improvement Plan (TIP) to drive technology-related budget decisions

4. PHYSICAL PLANT

- Work with Deerfield Select Board to establish and execute short-term Capital Improvement Plan (CIP)
- Use results of 2017-2018 engineering and demographics studies to coordinate long-term CIP with Deerfield Select Board

5. LONG-TERM PLANNING

- Provide guidance to DCS by establishing desired level of involvement in PACE
- Provide guidance to DCS by establishing board position on multiple high schools of record
